

Dear Colleagues from EGATIN,

Regarding the **18th GASi International Symposium in Group Analysis, Barcelona, 2nd to 6th September 2020**, we are writing to remind you that **the deadline (31st December 2019)** for both **early bird registration** and for the **call for papers** is fast approaching.

In order to register or submit your abstract/proposal please **visit the Symposium website** (<http://www.gasi-bcn2020.com>) which is regularly being updated in order to help you with your preparation for visiting Barcelona next year. While you register you will also have the opportunity to reserve and pay for your ticket/s for **the Symposium Party** on the evening of Saturday 5th September at the Barcelona Maritime Museum.

Additionally, if you would like to **conduct a small, median or social dreaming group** at the Symposium, we attach the form for you to complete and send to the **GASi2020 Secretariat** at gasi-bcn2020@kuoni-congress.com. The form is also available on the website.

Just to remind you that to either register or submit an abstract you should **first create a new account** using your e-mail address and a password of your own choosing, making sure to keep a note of your password.

To **apply for a bursary**, please visit the "Bursaries and Visas" page on the registration menu. Similarly, if you know you will **need a visa to travel** to Barcelona you will find information about how to get started.

While you register you will have the opportunity to **make a voluntary financial contribution** to our bursary fund - whatever you contribute will help us make attending the Symposium more accessible for those for whom the costs of attending are still too great, despite the fact that we have managed to lower our registration fees this time. Information about **the Symposium social programme** will be published on the website in due course.

Any other queries or questions should be directed by e-mail to the **GASi2020 Secretariat** at gasi-bcn2020@kuoni-congress.com.

We look forward to working with you over the next year to make the Symposium a success.

Best wishes,

Peter Zelaskowski & Luis Palacios

Symposium Co-Chairs

On behalf of the BCN2020 Local Organising Committee, Symposium Management Committee and Symposium Scientific Committee
