

6th Group Analytic Society International Summer School, Ireland, 27-31 July 2022

Join us for 5 days in Dublin, Ireland. Home of Yeats, Heaney, Joyce and Wilde, Rebellion and Nobel Peace Prize Laureates

Waking or sleeping, our dreams express our desires, as individuals, or as nations. Living in our dreams takes us away from reality, but living out our dreams can be a creative and powerful source for change. In groups we can realise and express our dreams, and take responsibility for our actions.

St. Patrick's College, University of Maynooth
