

# Evaluation Qualifying Course in Group Analysis

## Year \_\_\_\_\_

The Goal for the Qualifying Course in group analysis is: "To train the participants to work autonomously and systematic with group analysis in outpatient and private settings".

You have now finished the qualifying course. To what extend do you mean the course has fulfilled its goal, and met your expectations?

We want you to fill out the evaluation form in order to develop and improve the training programme both concerning content and organization. Please mark your evaluation with a circle at the number that corresponds to your opinion.
